8. Board another's boat only with permission
9. Park cars & trailers only on a paved parking lot
10. NO SMOKING near fuel dock, fuel storage, or fueling operation
11. Launch large boats on a center ramp; smaller boats & PWC's should use the outer ramps
12. Respect others property

### RULES FOR FISHING

Please remember our piers are for boat slip renters. They are not fishing piers. We allow fishing as a courtesy to our property owners and guests, as long as the activity does not impede access to the pier, create a safety hazard, or create a nuisance. Our rules are dictated by both our responsibility to our slip renters and our insurance requirements.

These rules include:

1. NO SMOKING on piers
2. No coolers, lawn chairs, etc. on the pier
3. One pole per fisherman
4. No excess tackle or poles (eg. Multiple fishing poles, tackles boxes, bait buckets/fish baskets left unattended, etc.)
5. Do not leave trash, discarded tackle, etc. on piers or boats
6. Do not board a boat without the owner's permission—this is trespassing

Feel free to enjoy your coolers, lawn chairs, tackle boxes & extra poles on the bulkheads, but not the piers.
